

For the T-shirt:

Q. The material provided is cotton, but could you please specify the type of cotton (e.g., combed, ring-spun, etc.)?

Response: Kindly refer to the remarks under the material section.

Q. What is the required GSM (grams per square meter) of the fabric?

Response: The bidder is required to submit the final sample, including the name of the material or fabric used.

Q. Should we submit a complete sample of the T-shirt, or is it acceptable to provide a cut piece of the fabric for evaluation?

Response: Yes, the bidder must submit the completed sample of the T-shirt.

For the umbrella:

Q. Could you clarify whether the handle should be made of wood or if a standard handle is acceptable?

Response: Yes, both options for sample submission are acceptable, and the Tender Committee will make the final selection.

Q. Is the umbrella required to be 2-foldable or 3-foldable?

Response: It is 2-fold, which is widely used.

Q. What is the preferred size of the umbrella?

Response: The bidder can submit an umbrella of any size, and the tender committee will proceed with selecting the appropriate size.

Q. Do we need to print the logo on both samples?

Response: Yes, the logo needs to be printed on both items.
